

Metrosmart International

Trading & Contracting (WLL) - Qatar Office

To whomsoever it may concern,

Metrosmart International Trading & Contracting WLL holds the copyright for the following outdoor drinking fountains products:

1. Copyright-CI-463517732 (Barada fountain)
2. Copyright-CI-392592345 (Aqua fountain)
3. Copyright-CI-385505351 (arch fountain)

Metrosmart International Trading & Contracting WLL is the designer, manufacturer, producer & supplier of the above-mentioned bespoke fountains; specifically customised for ASHGHAL requirements.

Certain components have been sourced from verified suppliers. However, Metrosmart International Trading & Contracting WLL has complete ownership of the overall assembly & design of fountains and manufacture of Ultrasonic sensor systems.

Material submittals were made to ASHGHAL and accepted by them after numerous revisions of the design and additional items requested such as NSF certified UV assisted filter systems, NSF certified plumbing, customised compressor unit to work at ambient 54°C and an additional 4 years of warranty on all components, making it total of 5 years warranty, as per PPD requirements.
